

Premier Virtual is proud to announce our latest enhancement The Premier Virtual Video Interview!!!

Hosts and Virtual Hiring Room users can now create and record Video Interview Questions for your events and rooms!

You will also have access to our stock questions already added to the platform.

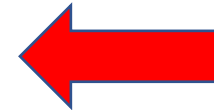

You can create Interview Sets for each event/room based on the type of event/room as well as the audience attending.

Once an Interview Sets has been created it can then be added to your events/room in Step 1 of the event build out process

You will now see a tab under Menu that says Video Interviews
